These disputes procedures are designed to enable and facilitate the fair, prompt and efficient resolution of grievances and complaints.
- b. Rather than investigate and deal with any grievance or complaint, the Committee may:
 - i. appoint a sub-committee to deal with the same; **or**
 - ii. refer the same to an external arbitrator, arbitral tribunal, or external visitor (or referee), so long as minimum standards of natural justice and the following requirements under this rule are satisfied,

 - iv. Any oral hearing shall be held by the decision-maker, and/or any written statement or submissions shall be considered by the decision-maker.
- g. A Member may not make a decision on or participate as a decision-maker in regard to a grievance or complaint, if two(2) or more Committee Members, or the decision-maker, consider that there are reasonable grounds to infer that the person may not approach the grievance or complaint impartially, or without a predetermined view.
Such a decision must take into account the context of The Club and the particular case and may include consideration of facts known by the other Members about the decision-maker, so long as the decision is reasonably based on evidence that proves or disproves an inference that the decision-maker might not act impartially.

- c. Subscriptions are **due in advance** by the last day of the month following the month when the subscription notice was delivered to members (*e.g. Subs sent in March = Subs payment due 30th April*)
