Contract Bridge

Exciting Card Game for All Ages

The **Hamilton Contract Bridge Club** provides opportunities for interested, enthusiastic potential members to learn the challenging aspects of the game from experienced and talented teachers.

The Club runs free beginner lessons and refresher lessons for returning players in March each year. Players can learn and progress to compete in the challenging or social competitions amongst the seven sessions available each week. These opportunities have seen current Club members progress to Grand Master status and enjoy national recognition.

Lessons begin with two introductory lessons to confirm if “**Bridge and You**” are compatible before the lessons commence properly. There is a charge for the lessons to cover the supplied materials.

Lessons commence

Evening Lesson : **Tuesday 18th March**
7:00pm to 9:00pm
